THE INDUSTRY LEADER IN CONCRETE STAMPING TOOLS

proline
concrete tools

Border Art

Use this border tool as a "picture frame" for a garden walkway, entryways or use it as a border along a driveway, pool side, or any other area you want to accent. Proline's Border Art can bend or follow any free form design.

...for more Border Art patterns, visit www.prolinestamps.com

Introduction

Proline Concrete Tools stands out as the best in the industry because we use natural stone textures to create our stamping tools. Stamping with these textures provides the beauty of natural stone at a fraction of the cost of real stone.
